## CONDOLENCE

In memory of **Jenab Fayaz Dilber (Qazi Fayaz Ahmad)**, a poet of Kashmiri language, short-film and documentary maker on rare and vital issues, Journalist, stage actor and above all a compassionate soul who took to his heart the pain of the down trodden.

In the passing of **Fayaz Saheb**, we lose not just an artist, but a quite force of truth and humanity. His short films carried the pulse of real stories and he chose to illuminate what many chose to overlook. yet beyond his craft, it was his compassion that shaped his legacy-gentle, steady and unforgettable.

Today, on 10th of November 2025, the bright candle has dimmed but the frames he created continue to breath. Although he has gone silent but the sincerity he lived with echoes on.

May Allah bless and bestow him with forgiveness and a place in Jannat.

**Fayaz Saheb** was a sincere well wisher of this institution and always showed us the way out of the troubles. He was always our advisor in all odds. He had a vision of future education of our society and the genext.
