CONDOLENCE

It is painful to write that one of our beloved teacher **Ms. BISMA RASHID** left for abode of peace this morning on 8th July, 2025. A young energetic lady of concern for the kids, so much so that she knew the whereabouts of every child of her class. A real teacher, with capabilities to garland the diversity of children into a single thread. Always smiling and hiding her agony and despair. The institution its administration, teaching and non-teaching staff share the moment of grief with her nears and dears. **May Allah (SWT) forgive her all misdoing and bless her with a place in Jannah.** Life and death have been created to testify whether one follows the path of righteousness or otherwise.
